Directors' Report
For the Year Ended 31 August 2016

The Directors present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2015 to 31 August 2016. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' report under company law.

The Trust operates two secondary academies in Bramcote, Nottingham. Its academies have a combined pupil capacity of 2,200 (including 300 Post 16 places). One academy provides education to students in the age range 11 – 16, serving the catchment areas of Stapleford and Trowell. The other academy serves the Beeston area of Nottingham and provides education for the 11 – 18 age range on a split site. The Academy Trust's sixth form provision is available for students throughout Nottingham.

Structure, governance and management

a. CONSTITUTION

The Trust is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the academy trust.

The Directors act as the Trustess for the charitable activities of The White Hills Park Federation Trust and are also the Directors of the charitable company for the purposes of company law.

The charitable company is known as The White Hills Park Federation Trust.

The Academy Trust was incorporated on 30 August 2012 and commenced activities on 1 October 2012. The Academy Trust comprises the following academies:

Alderman White School
The Bramcote School

Details of the Directors who served during the are included in the Reference and administrative details on page 1.

b. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. DIRECTORS' INDEMNITIES

Directors and Trustees are covered by the Education Funding Agency's Risk Protection Arrangements. As part of this scheme the Directors, Trustees and Governors receive unlimited indemnity.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Directors' Report (continued)
For the Year Ended 31 August 2016

d. METHOD OF RECRUITMENT AND APPOINTMENT OR ELECTION OF DIRECTORS

The Members are Directors of the company for the purposes of the Companies Act 2006 and Trustees for the purpose of charity legislation.

The Company shall have the following Directors:

- The Members may appoint up to 30 Directors.
- The Members may appoint staff Directors that may not exceed one third of the total number of Directors
- The Chief Executive Officer
- A minimum of 4 Parent Directors

Staff Directors are appointed through seeking volunteers and if appropriate undertaking an election process. Parent Directors are sought through an election process. The Directors may appoint Parent Directors if the number of parents standing for election is less than the number of vacancies.

e. POLICIES AND PROCEDURES ADOPTED FOR THE INDUCTION AND TRAINING OF DIRECTORS

The Trust provides an induction booklet for all new Directors. The Directors have appointed a training Director who manages the training needs of the board.

f. ORGANISATIONAL STRUCTURE

The Directors of the Trust are responsible for setting general policy, making decisions about the strategic direction of the Trust, capital expenditure and the appointment of the Executive Headteacher. The Directors have agreed a scheme of delegation of responsibilities to the committees of the Trust. The Committees are:

- Achievement and Standards Committee
- Audit Committee
- Pay Committee
- Resources Committee
- Student Committee

All committees report back to the Board of Directors. All Directors are provided with copies of policies, procedures, minutes, budgets, audited accounts and other documents as appropriate that they need to effectively undertake their role as a Director.

With effect from 1 September 2016, the duties of the Audit Committee have been assumed by the Resources Committee.

For the Year Ended 31 August 2016

g. PAY POLICY FOR KEY MANAGEMENT PERSONNEL

The directors consider that the Senior Leadership Team ("SLT") and the Board of Directors comprise the Key Management Personnel of the Trust in charge of directing and controlling, running and operating the Trust on a day to day basis. The SLT for 2015/16 was made up of 1 executive headteacher and deputy, 3 heads of school/college and 3 deputies, 3 federation assistant headteachers and 1 head of educational support staff. No director receives any form of remuneration, unless they are appointed as a staff director.

The Board of Directors of the Trust have in place a pay policy which was adopted on 9th November 2015 and which is reviewed annually with the Executive headteacher. The pay policy states that the Board is committed to taking pay decisions in accordance with the principles of public life as listed in DfE guidance; objectivity, openness and accountability. The policy also notes that the Board recognises the legal requirements placed upon them by the Education Act 2002 and subsequent legislation together with the current School Teacher's Pay and Conditions document (STPCD) and the National and Local Conditions of Service for National Joint Council staff and the Education (School Teacher Appraisal) (England) Regulations 2012. The policy also reflects the Trust's responsibilities to staff under the Equality Act 2010, the Employment Relations Act 1999 and all other relevant legislation of which the Trust is aware.

The Board of Directors delegates to the Pay Committee the responsibility for approving decisions relating to performance pay progression in line with the pay policy.

The policy is based on a "whole school" approach to pay issues with pay decisions taken in the full consideration of the resources available within the overall school budget. This means that pay decisions relating to particular groups of staff are not taken in isolation.

All employees are paid in accordance with the statutory provisions of the STPCD and the "Burgundy Book" (teaching staff) or the National Joint Council "Green Book" conditions of service and NJC pay scales (support staff); and the pay ranges determined by the school.

For new headteacher/executive headteacher appointments, or for existing posts where responsibilities have changed significantly, the Board determines a consecutive seven point range (IPR) on the leadership pay range within the School's group size. The School group calculation is based on pupil numbers at each Key Stage and is considered by the Trust to be an appropriate way to assess the complexity and challenge of the head teacher role.

For new appointments to deputy headship and assistant headteachers, or for existing posts where responsibilities have changed significantly, the Board will determine a 5 point range on the leadership pay range, in line with the STPCD and the guidance provided by Nottinghamshire County Council. There is no overlap between this 5 point pay range and the headteacher pay range.

The IPR ranges of the head teacher or other senior leaders are not altered if they have reached the top of their individual pay range or to provide the equivalent of a pay award.

Pay progression of the executive headteacher, head of schools, deputy and assistant head teachers is reviewed annually in line with the pay policy. From 1 September 2016 any pay uplift for key management personnel is not automatic, but is based on individual performance assessed through the school's Appraisal Policy. In accordance with the STPCD the head teacher and other leaders paid on the LPR must demonstrate a sustained high quality of performance with particular regard to the quality of leadership and management; pupil progress; the quality of teaching and the behaviour and safety of pupils at the school.

In reviewing the executive headteacher's performance, the Board employs the services of an external advisor.

Support staff leadership payments are made in accordance with the National Joint Council for Local Government Services payscales and allowances that are reviewed annually. Individual pay for posts within the Trust are assessed utilising the Job evaluation process that is detailed within the National Joint Council national pay and conditions of service, known as the green book.

h. CONNECTED ORGANISATIONS, INCLUDING RELATED PARTY RELATIONSHIPS

In line with FRS 102 the Trust must declare all relevant connections and related party interests in the period.

Related parties of the Trust include:

- Trustees and close members of their family
- Key management of the Trust and close members of their family
- Other entities over which such individuals have control, joint control or significant influence
- Subsidiaries

Declarations of related party interests were made by staff members in the period, one of whom was a Director during the year. It was deemed by the Trustees and the management team that there were sufficient appropriate safeguards in place within the Trust to ensure that these relationships did not prejudice decision making.

Objectives and Activities

a. OBJECTS AND AIMS

The principal object and activity of the Trust is to advance for the public benefit education in the United Kingdom by establishing, maintaining, carrying on, managing and developing schools ("the Academies") offering a broad and balanced curriculum.

In addition, to promote for the benefit of individuals living in Nottingham and the surrounding area who have need, the provision of facilities for recreation or other leisure time occupation who have need of such facilities due to their youth, age, affinity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said individuals.

In accordance with the Articles of Association the Trust has entered into relevant funding agreements for each Academy with the Secretary of State. The funding agreements specify, amongst other things, the basis for admitting students to the Trust, the catchment area from which the students are drawn, and that the curriculum should be broad and balanced.

b. OBJECTIVES, STRATEGIES AND ACTIVITIES

The main objectives of the Trust during the period ended 31 August 2016 are summarised below:

- To ensure all students within the Trust receive a highly effective education which will ensure they reach their potential.
- To continue to raise the standard of education by improving the quality of teaching and learning.
- To provide a curriculum which matches the needs and the ambitions of all students.
- To ensure compliance with all statutory and curriculum requirements.
- To provide value for money for the funds expended.

The Trust's main objective is to provide a high quality of education for all of its students. This is achieved by:

- A rigorous system of quality assuring all aspects of our provision.
- Providing well targeted and customised training for all staff within the Trust.
- Creating a culture of continual improvement amongst all staff within the Trust.
- Creating a supportive environment for our students in which they can thrive and achieve.
- Ensuring a range of activities and experiences for all of our students, both in and outside of the classroom

c. PUBLIC BENEFIT

In setting the objectives, planning and delivery of the activities of the Trust the Directors have complied with their duty to have due regard to the guidance published by the Charity Commission.

Achievements and performance

a. REVIEW OF ACTIVITIES

The White Hills Park Federation Trust has raised the achievement of its students over several years. Validated data for 2016 is not yet available, but indications are that results have significantly improved compared to a worsened set of data for 2015, and continue the upward trend that had previously been recorded.

Examination Results

	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016
5A*-C En/Ma %	34	33	44	46	45	52	54	60	43	63
5 A*-C%	47	57	64	79	88	95	94	52	50	71
A level APS per student (*)	-	-	-	610	553	610	729	621	618	103.2

(*) Point scores have changed for the KS5 qualifications between 14/15 and 15/16 academic years. For example, an A* was worth 300 points in 2015 but is worth 60 points in 2016.

From 2014 only performance table approved qualifications counted in A*-C% results.

In the academic year 2015-2016 the attendance of students was 95.4% for the Alderman White School including Bramcote College (2014-15: 95.6%) and 95.3% for the Bramcote School (2014-15: 95.8%).

The number of permanent exclusions in the year was 2 compared to 4 for the previous academic year.

There were no full OFSTED inspections during the year, both schools having been inspected during 14/15. Since both schools had been categorised as Requiring Improvement (RI) following the 14/15 inspections, there have been ongoing communications with and visits from HMI during the 15/16 academic year. The Bramcote School had a monitoring visit in November 15, and was judged to be taking effective action to tackle the areas requiring improvement identified in the section 5 inspections; the same judgement was made of AWS at the monitoring visit in May 15. OFSTED are due to undertake inspections at both schools during 2016/17 academic year. It is anticipated that improvements in exam results and the work undertaken since the previous inspections will result in an improvement of the OFSTED judgement to good at both schools.

The majority of the Academy Trust's funding is based on student numbers. Therefore the number on roll is a key performance indicator. The census for Spring 2016 recorded 1,318 students on roll, which compared to 1,313 for 2014-15.

Applications to the Trust's sixth form for 2016 – 2017 have remained stable.

Staff costs as a percentage of GAG income were 86% for 2015-16, compared to 88% for 2014-15.

For the Year Ended 31 August 2016

b. GOING CONCERN

As detailed in the Directors' report "Annual Review" section, the Trust's SOFA for the year ended 31 August 2016 shows a deficit of £14,901,000 and the Total of Unrestricted Funds and Restricted Funds (less Pension fund) carried forward was a deficit of £79,000.

Since the time of conversion in 2012 the Trust has held reserves and produced a balanced budget.

A new Executive Head Teacher was appointed on 1st January 2014, and he initiated a full teaching staff restructure with a reduction in the number of leadership posts, and also a re-evaluation of the level of TLR allocated to each post.

The impact of the restructure upon the Trust was a three year protected salary commitment, from September 2014 to August 2017 inclusive, totalling almost £590,000.

In the last 12 months there have been a number of central government policy decisions that have impacted on the projected health of the Trusts reserves, including increased NI contributions, Teacher Pension employer contributions and a reduction in ESG funding. These additional costs coupled with the Trust bearing the three year salary protection commitment and a projected one year drop in students numbers, has resulted in the current deficit position.

This 15-16 in-year and year-end deficit had been forecast within the Trust's 5 year budget plans during 14/15. As such, in autumn 2015 the Accounting Officer made the Trust's auditors aware of the situation and contacted the EFA to open a dialogue around the potential for short term financial support and the next steps required. At the same time, the Trust has implemented numerous strategies to continue to reduce costs, to manage the changes to funding and balance the budget.

One of the key financial considerations for the Trust is the on-going maintenance of three separate school sites. The Directors have therefore taken the decision to vacate the Bramcote School site with effect from 1 September 2017. A business case has been submitted to the Regional Schools Commissioner under the Significant Changes to an Academy process, to seek agreement to this request. The move to two sites is critical to returning the Trust to a positive reserves position.

Continued review of staffing led to 3 redundancies as at 31 August 2016, with a further 3 to take place with effect from 1 January 2017. The move to 2 sites from 1 September 2017 is also likely to result in further headcount reductions.

Despite the measures outlined above, the provision of a short term cash injection by the EFA is considered necessary. The cash support relates to redundancy measures that the Trust is committed to, and bridges a forecast deficit through to late 2017/18.

Discussions with the EFA on funding requirements are ongoing and are expected to conclude early 2017.

Directors' Report (continued)
For the Year Ended 31 August 2016

Financial review

a. ANNUAL REVIEW

The majority of the Trust's income is received from the Department for Education (DfE) via the Education Funding Agency (EFA) in the form of recurrent grants using the Nottinghamshire Local Authority funding formula. The use of these grants is restricted to particular purposes and this income is shown as Restricted Funds in the Statement of Financial Activities.

The Trust also receives grants for fixed assets from the DfE and other organisations and funding bodies and these are shown as Restricted Fixed Asset Funds in the Statement of Financial Activities.

The SOFA for the year ended 31 August 2016 shows a deficit of £14,901,000 after the impairment of £11,558,101.

The balance sheet as at 31 August 2016 has a positive position with net assets amounting to £18,977,000.

b. RESERVES POLICY

The Directors policy is to review the reserve levels of the Academies annually. This process encompasses the nature of income and expenditure streams and the need to match commitments with income and nature of reserves. The policy of the Trust is to carry forward a prudent level of resources designed to meet the long term cyclical needs of renewal and any other unforeseen contingencies plus a contribution towards future capital projects, subject to the constraint that the level of resources does not exceed the level permitted by the EFA.

The Trust had total funds at 31 August 2016 of £18,977,000. There was a zero balance of unrestricted funds and a £24,342,000 balance which can only be realised by the disposal of tangible fixed assets. The balance on restricted general funds and other restricted funds was a deficit of £79,000. As noted earlier at "going concern", this has arisen primarily as a result of a recent dip in pupil numbers, combined with the fact that initiatives taken to restructure staffing have resulted in additional cost to the Trust in the early stages, with savings to come in future periods.

The Trust balance sheet incorporates a deficit within restricted funds, relating to the Local Government Pension Scheme (LGPS). However, this does not mean that an immediate liability for this amount has crystallised. Following the triennial pension scheme valuation that was completed in 2013 the Academy Trust is required to pay 18.3% of payroll costs per annum to the pension fund for deficit recovery. This is the amount notified by the actuaries as being sufficient to remove the deficit within an appropriate period.

c. INVESTMENT POLICY AND PERFORMANCE

Due to the nature of the funding cycle, the Trust may at times hold large cash balances which may not be required for immediate use. The Directors may authorise the opening of an additional short term bank Investment account to take advantage of higher interest rates. Any other form of investment must have prior written Director approval.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Directors' Report (continued)
For the Year Ended 31 August 2016

d. PRINCIPAL RISKS AND UNCERTAINTIES

Student numbers

The principal risk for the Trust during the next few years is any potential reduction in student numbers. As previously noted, student numbers have remained static and current indicators, including detailed analysis of student numbers in our feeder schools, suggest that these will start to increase. The Trustees continue to closely monitor local demographic information and maintain strong ties with the Trust's feeder schools.

Staff costs and key pay related factors

The National Living Wage, whilst a significant development for those on lower wages, will have limited impact due to the Trust's current staffing structure.

Funding

The Trust has considerable reliance on continued Government funding through the EFA. Whilst the current level of funding is expected to continue, there remains a risk that Government policy or practice in respect of the Academy funding formula will change. The Trust closely monitors transition numbers and models the financial implications of any trends or anticipated changes to funding methodology. Post 16 funding is currently in a period of transition, and remains a key area of focus for the Trust's management team.

Reputational

The continuing success of the Trust is dependent on it continuing to attract students in sufficient numbers by maintaining the highest educational standards. To mitigate this risk, the Directors ensure that pupil success and achievement are closely monitored and reviewed. As noted earlier in this report, both The Bramcote School and Alderman White School were judged during the year by OFSTED to be Requiring Improvement (RI). Following the initial judgements, the Trust's senior leadership team worked with staff, parents current and prospective, and students, to ensure that plans to address the matters noted in the OFSTED reports would be effectively implemented within the required timescales. In 2016, results were significantly improved at both schools and are now above national averages. The rapid rate of progress had continued during 2016/17 to date. There remains an ongoing risk that the perception within the local community of the RI judgements could negatively impact on the numbers of students applying for places at the Trust. However the high attendance and positive response to both schools' Open Evenings in October 2016, along with a significant increase in the size of the local primary school cohort gives rise to optimism.

Safeguarding and child protection

The Directors continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health and safety and discipline.

Staffing

The success of the Trust is dependent on the quality of its staff and therefore the Directors monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.

Fraud and mismanagement of funds

The Trust has engaged external auditors to fulfil the internal audit checking and reviewing function, as required by the Academies Financial Handbook. All finance staff receive training to keep up to date with financial practice requirements and to develop their skills in this area.

Plans for future periods

a. FUTURE DEVELOPMENTS

The Trust will continue its key objective to improve the levels of performance of all students. The Trusts development plan details how each objective will be achieved over a period of time.

The Trust is currently assessing different potential sources of funding to improve the condition of its building stock, through PSBP and CIF applications for the Alderman White site, and how to raise capital receipts for the Bramcote School and Bramcote College.

DISCLOSURE OF INFORMATION TO AUDITORS

Provision of information to auditors

Insofar as the Directors are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- the Directors have taken all the steps that ought to have been taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report was approved by order of the board of Directors as the company directors, on 26/12/16 and signed on its behalf by:

Governance Statement

SCOPE OF RESPONSIBILITY

As directors, we acknowledge we have overall responsibility for ensuring that The White Hills Park Federation Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of Directors has delegated the day-to-day responsibility to the Executive Head-teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The White Hills Park Federation Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Directors any material weaknesses or breakdowns in internal control.

The Directors have approved the following Committees to focus on specific areas of governance;

- Achievement and Standards Committee – where members have oversight of the curriculum and all matters associated with teaching and learning, review the Federation's schools comparative academic performance and advise and guide the Board in these areas;
- Audit Committee – tasked with reviewing the overall risk profile of the Academy Trust, monitoring risk management techniques and providing financial oversight; This was active during the academic year 15/16 but has now ceased with effect from September 2016 and its functions have been delegated to the Resources Committee;
- Pay Committee – to authorise, manage and implement pay decisions in line with the Academy Trust's pay and appraisal policies;
- Resources Committee – where the Directors review and challenge the ongoing financial results of the Academy Trust, and decide on issues arising in such areas as Health and Safety;
- Student Committee – established to oversee and monitor delivery of the Academy Trust's five year vision as it relates to students and the wider community.

The terms of reference for each of these Committees are regularly reviewed and amended where necessary as the needs and objectives of the Academy Trust evolve.

GOVERNANCE

The information on governance included here supplements that described in the Directors' Report and in the Statement of Directors' Responsibilities. The board of Directors has formally met 5 times during the year. Attendance during the year at meetings of the board of Directors was as follows:

Governance reviews

In the summer term of 2016 the board of Directors undertook a skills audit and self-evaluation lead by the training coordinator. All Directors were asked to complete 2 questionnaires and to recommend improvements for the governing body. The skills audit revealed that the Trust's current board of Directors has experience in what are considered to be key management and strategic areas; for example, finance, safeguarding and chairing. A skills gap was noted in terms of knowledge of planning and building work which is a specific issue for the Trust at present. The Trust has therefore subsequently appointed 2 new Directors, one of whom has relevant experience. The self-evaluation identified a lack of knowledge in the area of human resources – this is being rectified through training provided by an outside provider. The Directors would also like to generate closer direct links with the staff, students and parents of the schools, and have started this process by having a more visible presence within school at events such as open evenings. The impact of this change will be reviewed through committee meetings. The next skills audit process is planned for the summer term of 2016.

Committee membership is reviewed annually in order to ensure that suitable Directors make up the group.

The number of meetings for the Achievement and Standards committee was increased following the OFSTED inspections in the previous year, so as to ensure that the members dedicate sufficient time and resource to the follow up of the issues raised from those visits.

The Directors of the Trust held a visioning session during the year to review and amend the Trust's overall vision that has been communicated to all staff, students and parents.

The Board of Directors have continued the process of self-evaluation throughout the year, undertaking the review of the 21 questions for Multi Academy Trusts published by the APPG.

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Executive Head-teacher has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the board of Directors where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Trust has delivered improved value for money during the year by undertaking the following:

- Having undertaken benchmarking reviews against comparable academy and MAT data for the year ended 31 August 2015, the Trust was able to validate a concern that had already been identified, that the ongoing maintenance of 3 separate and ageing school sites was not sustainable in the long term. A decision was therefore made to vacate one of the sites with effect from 31 August 2017, and to bring the students currently being taught in that building, into one of the other existing sites. The cost of that remedial work has been kept to a minimum. Alongside this, reviews are being undertaken of how the assets held on each school site are currently being used, so as to make sure that equipment is in the site where it will be most effectively utilised, removal and scrapping costs are kept to a minimum and if

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Governance Statement (continued)

appropriate, proceeds are generated for those assets which may no longer be required by the Trust.

- During the year, the member of staff who had been overseeing cover arrangements left the Trust. This role had also included some operational tasks such as overseeing printing facilities and events diary management. The Trust had in recent periods incurred significant supply teacher costs, and this had been noted as a key area of focus for the latter half of 2015/16 and going forward. Taking all this into account, the vacated role was restructured; non-cover related duties were re-allocated within the finance/admin team, and one of the Trust's 2 existing cover supervisors was promoted to the new role of cover manager. This new structure has allowed for increased focus on the more efficient use of internal cover.
- Ongoing budgeting and forward planning incorporating projected student numbers identified that reductions were required to overall staff levels. As such, 3 staff members left the Trust with effect from 1 September 2016 and 3 more are due to leave with effect from 1 January 2017. Whilst this has resulted in one off charges during 15/16, the Trust staff profile now better reflects current and forecast student needs more effectively.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The White Hills Park Federation Trust for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of Directors has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Directors is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks, that has been in place for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Directors.

Where it is considered appropriate in order to effectively manage potential risk to the Academy Trust, external support and advice is sought from external providers of audit and legal service, occupational and governor/director support, and insurance.

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Directors;
- regular reviews by the Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of Directors has considered the need for a specific internal audit function and has decided to appoint Smith Cooper Limited, the external auditor, as internal auditor. An annual testing plan is agreed between Smith Cooper Limited and the Academy Trust and detailed reports are provided to the Directors on work performed and any recommendations for improvement. Members of the Smith Cooper Limited internal audit team do not work on the external audit to ensure that the independence and objectivity between the two services provided is maintained.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Governance Statement (continued)

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. On a termly basis, the internal auditor provides detailed reports to the board of Directors on the operation of the systems of control and on the discharge of the board of Directors' financial responsibilities. In particular the checks carried out in the current period included:

- testing of purchase systems
- testing of payroll systems
- testing of control account/bank reconciliations
- testing of expense claims
- testing of petty cash transactions
- testing of income transactions
- testing of school fund expenditure allocation
- testing of related party transactions
- testing of fixed assets
- testing of financial reporting and compliance

Twice a year, the auditor reports to the board of trustees, through the Resources Committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

Smith Cooper Limited has been able to deliver their schedule of work as planned and no material control issues were identified.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the period in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement on Regularity, Propriety and Compliance

As Accounting Officer of The White Hills Park Federation Trust I have considered my responsibility to notify the academy trust board of trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA.

Statement of Directors' Responsibilities
For the Year Ended 31 August 2016

The Directors (who act as governors of The White Hills Park Federation Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Directors' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies' Accounts Direction 2015 to 2016;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditors' Report on the Financial Statements to the Members of The White Hills Park Federation Trust

We have audited the financial statements of The White Hills Park Federation Trust for the year ended 31 August 2016 which comprise the Statement of Financial Activities Incorporating Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Statement of Directors' Responsibilities, the Directors (who are also the directors of the charitable Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Trust's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

EMPHASIS OF MATTER

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements concerning the Academy Trust's ability to continue as a going concern. As explained in the Directors' report and note 1 to the financial statements, the Directors require

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Independent Auditors' Report on the Financial Statements to the Members of The White Hills Park Federation Trust

cash flow funding to be available from the EFA to bridge a forecast cash deficit in the early part of 2017 and potentially later. Whilst the Directors are confident that funding will be made available from the EFA, no formal acknowledgement has been received at the date of approval of the financial statements. This therefore raises a material uncertainty as to the Academy Trust's ability to continue as a going concern. The financial statements do not include adjustments that would result if the Academy Trust was unable to continue as a going concern.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Independent Reporting Auditors' Assurance Report on Regularity to The White Hills Park Federation Trust and the Education Funding Agency

In accordance with the terms of our engagement letter dated 8 August 2016 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The White Hills Park Federation Trust during the year 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The White Hills Park Federation Trust and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The White Hills Park Federation Trust and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The White Hills Park Federation Trust and the EFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF THE WHITE HILLS PARK FEDERATION TRUST'S ACCOUNTING OFFICER AND THE REPORTING AUDITORS

The Accounting Officer is responsible, under the requirements of The White Hills Park Federation Trust's funding agreement with the Secretary of State for Education dated 25 May 2012, and the Academies Financial Handbook extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- a review of the outcome of the 2015 regularity audit
- a review of the evidence used to support the Accounting Officer's conclusions on the Regularity Statement
- a review of the adequacy of the internal audit function and the adequacy of the program of work
- a review of the internal audit reports during the year ended 31 August 2016
- a review of the internal control environment and whether the environment has regard to regularity of transactions. Consideration to significant changes in the control environment and whether this has led to potential weaknesses
- confirmation through enquiry and sample testing that gifts and hospitality are given and received in line with the Academy Trust's policies

Independent Reporting Auditors' Assurance Report on Regularity to The White Hills Park Federation Trust and the Education Funding Agency (continued)

- confirmation through enquiry and sample testing that the use of expense claims or credit cards and petty cash adheres to internal control principles and that items are not for personal benefit
- confirmation through enquiry and sample testing that expenditure does not contravene the funding agreement
- confirmation through enquiry and sample testing that the lines of delegation and limits set both internally and by the EFA have been adhered to
- consideration to procurement and tendering procedures ensuring these have been correctly adhered to and administered
- consideration to the compliance of the Academy's delegated authorities over financial transactions and evidence of prior approval from the Secretary of State where applicable
- a review of declarations of business interests for all governors/directors and key staff
- a review of transactions with connected parties ensuring these have been completed following correct procurement and tendering procedures
- a review of meeting minutes of the various committees

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements
For the Year Ended 31 August 2016

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

The White Hills Park Federation Trust constitutes a public benefit entity as defined by FRS 102.

Details of the registered office are provided in the Reference and Administrative Details.

First time adoption of FRS 102

These financial statements are the first financial statements of The White Hills Park Federation Trust prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of The White Hills Park Federation Trust for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Directors have amended certain accounting policies to comply with FRS 102 and SORP 2015.

Reconciliations to previous UK GAAP for the comparative figures are included in note 28.

1.2 Going concern

The Directors assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Trust to continue as a going concern. The Directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements.

Based on forecast financial information prepared by the Academy Trust, the Directors have concluded it will have insufficient cash flow funding in 2017, in order to continue in operational existence, unless funding is made available from the EFA to meet its liabilities as they fall due. The EFA have been approached to provide short term funding to the Academy Trust and negotiations are ongoing, however at the date of approval of the financial statements this has not been formally approved. Therefore, until such a time as funding is secured, a material uncertainty exists in relation to the Academy Trust's ability to continue as a going concern.

However, the Directors are confident that, together with the actions they have taken and are planning to take to address the ongoing funding deficits (see the Directors' Report), EFA funding will be made available as required and thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2016

1. ACCOUNTING POLICIES (continued)

1.3 Income

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities Incorporating Income and Expenditure Account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities Incorporating Income and Expenditure Account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Charitable activities and Governance costs are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2016

1. ACCOUNTING POLICIES (continued)

1.5 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised as tangible fixed assets and are carried at cost less depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities Incorporating Income and Expenditure Account and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities Incorporating Income and Expenditure Account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

L/Term Leasehold Land	-	Over the term of the lease (125 years)
L/Term Leasehold Property	-	Straight line over the shorter of useful economic life or lease term
S/Term Leasehold Property	-	Straight line over the shorter of useful economic life or lease term
Leasehold improvements	-	Straight line over the shorter of useful economic life or lease term
Motor vehicles	-	Straight line at 25%
Fixtures and fittings	-	Straight line at 20%
Computer equipment	-	Straight line at 33%

1.6 Operating leases

Rentals under operating leases are charged to the Statement of Financial Activities Incorporating Income and Expenditure Account on a straight line basis over the lease term.

1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable by the Bank.

1.8 Taxation

The Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

THE WHITE HILLS PARK FEDERATION TRUST
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2016

1. ACCOUNTING POLICIES (continued)

1.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.10 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 Pensions

Retirement benefits to employees of the Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the Trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 23, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses

1. ACCOUNTING POLICIES (continued)

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the Directors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

1.14 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from EFA. Payments received from the EFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 26.

1.15 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Trust trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

	No.	No.
In the band £60,001 - £70,000	7	8
In the band £90,001 - £100,000	0	1
In the band £100,001 - £200,000	1	0

All of the above employees earning more than £60,000 per annum participated in the Teachers' Pension Scheme.

Included in staff restructuring costs are non-statutory/non-contractual severance payments totalling £16,000 (2015 - £Nil). This related to a single payment.

The key management personnel of the academy trust comprise the directors and the senior management team as listed on page 2. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £897,977 (2015 - £867,083).

11. DIRECTORS' REMUNERATION AND EXPENSES

One or more Directors has been paid remuneration or has received other benefits from an employment with the academy trust. The Principal and other staff Directors only receive remuneration in respect of services they provide undertaking the roles of principal and other staff members under their contracts of employment, and not in respect of their role as Directors. The value of Directors' remuneration and other benefits was as follows:

		2016	<i>2015</i>
		£000	<i>£000</i>
P F Heery (principal and trustee)	Remuneration	100-105	<i>95-100</i>

	Pension contributions paid	5-10	<i>5-10</i>

During the year, no Directors received any reimbursement of expenses (2015 - £NIL).

12. DIRECTORS' AND OFFICERS' INSURANCE

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Directors and officers indemnity element from the overall cost of the RPA scheme.

by the Department for Education where the asset acquired or created is held for a specific purpose. It should be noted that the NBV of fixed assets differs from the restricted fixed asset fund balance above by £252,000 being the excess of CIF funding received over and above fixed asset additions in the year. It should also be noted that included within the £12,645,000 expenditure is depreciation of £1,087,000 and impairment of £11,558,000 relating to leasehold land and buildings and improvements at Bramcote School.

Restricted general funds comprise of all other restricted funds received and include grants from the Department for Education and will only be used for the purpose that the grants were intended. The main grant received within these funds is the GAG.

ANALYSIS OF ACADEMIES BY FUND BALANCE

Fund balances at 31 August 2016 were allocated as follows:

	Total 2016 £000	<i>Total 2015 £000</i>
Alderman White School	620	298
The Bramcote School	(699)	(239)
Total before fixed asset fund and pension reserve	(79)	59
Restricted fixed asset fund	24,342	36,596
Pension reserve	(5,286)	(2,777)
Total	18,977	33,878

The following academy is carrying a net deficit on its portion of the funds as follows:

Name of academy	Amount of deficit £
The Bramcote School	(699)

The Academy Trust is taking the following action to return the Bramcote School to surplus:

The Alderman White School and Language College is an 11-18 school, therefore all funding for Post 16 education is received into the Alderman White School budget. The Bramcote School is an 11-16 school and therefore receives no funding for Post 16 provision. Alderman White's post 16 provision is taught on a separate site from the main school at Alderman White, this site is known as Bramcote College. Teachers from both Alderman White School and The Bramcote School teach post 16 students at Bramcote College.

A formula was developed by the Executive Headteacher to remunerate The Bramcote School for the costs which they incurred in providing teaching at Bramcote College. This formula allows the Trust to maintain a more accurate cost within each relevant school for teaching provision. However, there is inevitably cross over of cost for the use of shared facilities and resources. All staff are employed at the Trust level. Review of where staff salaries are allocated is undertaken once timetables are completed. This invariably results in the net movement of staff costs from The Bramcote School to Alderman White School. The budget deficit is monitored on an ongoing basis to ensure that the Trust overall remains in a positive reserve position.

23. PENSION COMMITMENTS

The Trust's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Nottinghamshire County Council. Both are Multi-Employer Defined Benefit Pension Schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2013.

Contributions amounting to £127,008 were payable to the schemes at 31 August 2016 (2015 - £105,367) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £1,019,639 (2015 - £983,785).

23. PENSION COMMITMENTS (continued)

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £282,000 (2015 - £288,000), of which employer's contributions totalled £213,000 (2015 - £217,000) and employees' contributions totalled £69,000 (2015 - £71,000). The agreed contribution rates for future years are 18.3% for employers and 5.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions:

25. RELATED PARTY TRANSACTIONS

Owing to the nature of the Trust's operations and the composition of the board of Directors being drawn from local public and private sector organisations, transactions may take place with organisations in which a Director has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Trust's financial regulations and normal procurement procedures.

Flint Bishop LLP - a solicitors partnership in which S Tonks' (a Director of the Academy) wife is a salaried partner:

The Academy purchased legal services from Flint Bishop totalling £2,375 (2015 - £Nil) during the year. There was an amount of £Nil (2015 - £Nil) outstanding at the year end.

Beeston Consolidated Charity - a charity in which W Plimmer (a Director of the Academy) is a Trustee:

During the year the Academy received a donation of £5,000 (2015 - £Nil).

In entering into the transactions with Flint Bishop LLP and Beeston Consolidated Charity the Academy Trust has complied with the requirements of the EFA's Academies Financial Handbook.

26. AGENCY ARRANGEMENTS

The academy trust distributes 16-19 bursary funds to students as an agent for the EFA. In the accounting period ending 31 August 2016 the trust received £25,947 (2015 - £25,424) and disbursed £25,947 (2015 - £18,755) from the fund.

27. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

28. FIRST TIME ADOPTION OF FRS 102

It is the first year that the Academy Trust has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

Reconciliations and descriptions of the effect of the transition to FRS 102 and SORP 2015 on total funds and net income/(expenditure) for the comparative period reported under previous UK GAAP and SORP 2005 are given below.

RECONCILIATION OF TOTAL FUNDS	<i>1 September 2014</i> <i>£000</i>	<i>31 August 2015</i> <i>£000</i>
Total funds under previous UK GAAP	36,120	35,320
Total funds reported under FRS 102	<u>36,120</u>	<u>35,320</u>
Reconciliation of net (expenditure)		<i>31 August 2015</i> <i>£000</i>
Net (expenditure) previously reported under UK GAAP		(1,385)
Change in recognition of LGPS interest cost		(54)
Net movement in funds reported under FRS 102		<u>(1,439)</u>

The only change relates to the recognition of LGPS interest cost. Under previous UK GAAP the trust recognised an expected return on defined benefit plan assets in income/expense. Under FRS 102 a net interest expense, based on the net defined benefit liability, is recognised in income/expense. There has been no change in the defined benefit liability at either 1 September 2014 or 31 August 2015. The effect of the change has been to increase the debit to expenditure by £54,000 and increase the credit in other recognised gains and losses in the SoFA by an equivalent amount.
