

Sixth Form

As a student at the White Hills Park Federation you are entitled to receive planned careers education events. You will also be given access to information and support to help you make choices about your future education and career. There will also be the opportunity for you to talk to a careers advisor.

All of this is designed to support you in making sound decisions about your post 18 progression routes and subsequently in making successful applications to courses, apprenticeships and jobs that will enable you to achieve your career goals.

It will

1. Help you to extend what you have learnt in Key Stage 3 and Key Stage 4.
2. Help you to research, evaluate, obtain guidance on appropriate routes and financial support post 18. This will include apprenticeships and work-based training schemes.
3. Help you to understand university/higher education through access to visits, individual and group guidance and university talks.
4. Give you access to careers talks from professionals.
5. Help you to make decisions about your post 18 route through identifying your strengths, weaknesses, interests and aspirations.
6. Help you to understand the university application process and make successful applications.
